

Hello everyone,

The difficulty of being away from the store for a few weeks at this time of year is that there are so many new items when I come back! The store is bursting with fabulous new clothes and full of color and light. I can only give you a sampling here so please stop in to see all the new goodies for yourself.

Here's your taster:

* Kathy, who has joined us for the summer, is modeling several new things. The sweet little tee is a very fine cotton 'burn out' design. It is almost transparent so she has one of our great little nude camis on underneath, but this combo looks good with a coordinating color cami too. The versatile headband is one of whole slew that can be worn wide, folded narrow or around a hat - these are made in Maine too! The bag is one of a decidedly eco-

chic range of 'Envirosax' reusable shopping bags. Designed to make the shift to environmentally conscious shopping easy, these durable, waterproof bags roll up into a cute little package and weight less than 2 ounces. The designs and colors are fun and funky.

* On the display next to Kathy you'll see a new range of cutting boards and butter knives. With edges handcrafted from lead-free pewter here in the USA they are inscribed with lovely sayings such as 'Spread Love, Spread Kindness' and 'Too much of a good thing is wonderful'.

* Two new lines of watches. Patterned bangle styles - choose from spots, flowers or swirls - and my personal favorite this week, exotic ribbon bands with classy watch faces handcrafted by artisans. Soft and elegant and seriously classy.

* Lots and lots and lots of new dresses - come and try them all on. The one Kathy is wearing is an almost silky embroidered linen.

- * Hanging in the photo is one of a new collection of superfine cotton swing tunics, cut to move and flatter with slits at the side. Wear these over pants or over swimwear at the beach. Choose from white, black, turquoise or milk chocolate and check out co-ordinating pieces too.
- * The thick rope necklace made of strands of beads is from a new Fair Trade company. We have bracelets and change purses too.
- * Teeny little angel charms with specific attributes such as faith, healing, protection and serenity. Amazing detail in miniscule figurines with slightly sparkly wings. Just \$2.25!
- * Several new styles of tank, including a very flattering pucker-front, cotton/linen v-neck by Cut Loose.
- * Spanx! The smoothing and slimming underwear that makes you feel fabulous. We have the Hide and Sleek tops and lots of the different types of bottoms.

Spending time in the store today, taking time to absorb all the detail that everyone here takes pleasure in putting into making it so beautiful, I found a line to express our approach in *Arriving at Your Own Door, 108 Lessons in Mindfulness* by Jon Kabat-Zinn

Life is surprisingly interesting, revealing, and awe-provoking when we show up for it wholeheartedly and pay attention to the particulars.

Come in and soak up some of the terrific summer energy.

- * Remember - if you would like to ask questions about information in this email, please call us here at the store on 207 338 5659 since we don't check this email every day.

***Wishing you peace, joy and
laughter,***
